Attendance Matters

This week's Attendance winners:
Woodpeckers **99%**

This week, **186** pupils achieved **100%** attendance!

Bemerton Round Up!

- It has been lovely to see everyone back at school after the Easter break. The term has started calmly and we look forward to a busy summer ahead!
- There are lots of events coming up this term, especially as our Year 6s prepare for their SATs and the activities following that to the end of the year.
- We are looking forward to meeting our new Wrens, who will be starting in September. If your child has been offered a place, please remember to accept it and book your Stay and Play dates!

Parent information sessions

Frustrated by your child's maths? Ever thought, "That's not how we did it at school!"?

Approaches to maths are always evolving, and at Bemerton, we follow a maths mastery approach to support our maths curriculum.

We would love to share how we teach maths at Bemerton, introduce you to our approach and let you experience some of the resources and approaches your child will use in the classroom.

We are holding two sessions, one on Tuesday 5th May for EYFS and Key Stage 1, and another on Thursday 7th May for Key Stage 2.

These sessions will be held after school in the Year 4 classroom.

Wraparound Care News

Thank you to everyone who completed the survey on our Breakfast and Afterschool Club provision.

We are delighted to share that we have been able to take the first step in acting on your feedback by extending the capacity on days where demand was greatest. For Breakfast Club, we have increased capacity from Monday to Thursday. For Afterschool Club, we have increased capacity on a Tuesday, Wednesday, Thursday and Friday.

We hope you find it easier to book places as a result of these changes, and we look forward to welcoming more children to our wraparound care.

Warm Weather Reminders

The sun may be just starting to peek out from behind the clouds, but we hope that sunnier weather is around the corner!
IFor the warmer months, please make sure your child:

- brings a water bottle to school every day
- has a hat
- apply sun cream before school to help to protect them

Dates For Your Diary
