Attendance Matters

This week's Attendance Cup winners:
Robins 99.2%

Wow! **182** pupils achieved **100%** attendance this week. Well done!

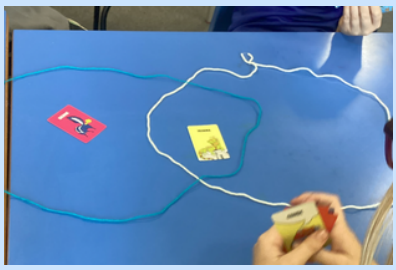

Bemerton Round Up!

Another busy week at Bemerton St John!

This Friday, Mrs Ford presented to our new parents at the first Wrens Parent Meeting, held over at St John's Place. The event was very well attended. Thank you to all of you who joined to support children's learning. For those who were unable to attend, the presentation will be on the Wren's homework page.

This week Church Council presented to the whole school on Spirituality. They talked the children through our model of understanding the Self, Others, Beauty (of the world) and Beyond (asking the big questions).

Board game club

European Day of Languages

What a fantastic celebration we had for our annual European Day of Languages! The school was filled with different languages, cultures and traditions as each year group explored a different European country. Wrens enjoyed discovering Italy, Robins explored France, Swallows learned about Hungary, Kingfishers celebrated Romania, Woodpeckers immersed themselves in Greece, Nightingales said hola! to Spain, and Eagles journeyed north to discover Finland. It was wonderful to see the children embracing new languages and learning about life and culture across Europe. A brilliant day of colour and excitement across the school. Thank you for the wonderful visitors who supported this day and to the children who shared their knowledge with other classes.

On National Teaching Assistants' Day (25.9.26) a word to our wonderful TAs: thank you for everything you do. You are so incredible in everything you do for all the children and we truly appreciate you!

Football Tournament

On Wednesday, a team of Year 5 and 6 girls had a fantastic time representing the school at Pembroke Park Primary School as part of a girls' football tournament.

They showed great teamwork, determination and sportsmanship throughout the day, supporting one another and giving every match their all. It was particularly nice to see the children stepping up to new challenges including one child experiencing goalkeeping for the first time! It was wonderful to see the girls' confidence grow as the tournament went on, and they should all be very proud of their efforts. We will keep you informed of our sporting triumphs as the year goes on!

House Cup

This week's House Cup Winners are EARTH!

And finally... calling all volunteers! If you have an hour to spare each week and would like to help out in school, we would love to hear from you. Please pop into the office or send us an email.
