This week's Attendance winners:
Eagles 99.6%

This week, **190** pupils achieved **100%** attendance!

Bemerton Round Up!

- Thank you to everyone who attended the parent workshops for Maths this week. It was great to share our approach to Maths and to answer questions about how you can support your child at home.
- Next week is SATs week for our Year 6 children. We are very proud of the hard work and perseverance the children have shown all year, and we wish all our them all every success next week!

Eco-schools Green Flag Status

We are very excited to announce that Bemerton St John has been awarded the Eco-Schools Green Flag accreditation once again – a wonderful achievement for our whole school community.

This award shows how proud we are to be a school that really cares about the environment. Over time, we have taken part in lots of initiatives to help protect and support our environment, and it's fantastic to see all that hard work recognised.

Our Eco-Council has been a big part of this success. They meet regularly and work hard to share ideas, lead projects, and help make sure we meet the high standards of being an Eco-School. Their enthusiasm and commitment help everyone in school to do their bit and think about how we can look after our world.

Well done to our pupils, staff, and Eco-Council – we look forward to continuing our journey towards a greener future!

Our Eco-friendly school

There are so many ways to help our environment. Here are some of the ways we are environmentally friendly at Bemerton, shown by our Eco-council:

We look after our newly planted garden to help local wildlfie

We recycle everything we can so it can be reused and save resources.

We collect our food waste separately so it can be composted.

We have our very own compost bin in our forest school area, so we can use the compost to help things grow.

And finally... See next page for our new & improved Diary Dates!
