**Thursday 18th June 2020**

**Dear Parent/Guardians**

I hope I find you all well.

It is lovely to see the children who are working on the learning platform at home continuing to engage with the lessons that teachers have provided every day. Thank you for supporting and encouraging them.

At school, we now have four classrooms in use for Year R and 1 and three classrooms in use for keyworker/vulnerable children. They are all very happy and enjoying being in school with their peers.

The children (in school and learning from home) are producing some lovely pieces of work. Here is an example of work from every year group:

**Return to school for other year groups**

I understand that many of you may be wondering about the plans for other year groups to return to school before the end of the school year. We are currently planning for various different scenarios but of course we have to wait for government guidelines. Rest assured that I will be in touch as soon as we have any further news.

**Staffing structure from September 2020**

I am delighted to be able to share the proposed staffing structure from September. This is, of course, dependent on how schooling will look according to government guidelines. We may be operating on a completely different structure.

### End of year reports

You will shortly receive an end of year report for your child. It will look different to normal, as children have not finished the full academic year because of the closure of schools since March. There will be no grades or end of key stage results, but we have done our best to show how much progress your child has made since September.

### Change to the last day of term

Our academy trust, Magna Learning Partnership (MLP), has made the decision that all MLP schools will end the summer term on Friday 17<sup>th</sup> July. This is a change to our planned last day, which was to be Tuesday 21<sup>st</sup> July. Children are due to return to school on Wednesday 2<sup>nd</sup> September. We will, of course, keep in touch over the summer should anything change.

Please remember to stay safe. We miss you all.
